Silo (CB Zeta curved 175 x 333 mm)

Silo (CB Zeta curved 175 x 333 mm)

The background features abstract green geometric shapes. On the left, a solid green triangle points upwards. On the right, a complex arrangement of overlapping green triangles and polygons in various shades of green (from light lime to dark forest green) creates a layered, architectural effect. The central text is positioned in the white space between these green elements.

Thank you!
We are always at your disposal.
